

Year 9 Home learning

Complete a research page for Amanda Wood, it must include:

1. A Moodboard
2. A paragraph to explain how she does the work, the techniques used and your opinion of the work
3. One image selected and all key features labelled
4. 2 x drawings, these can be any media but I suggest a pencil drawing and 1 in colour.

Remember, this is your real coursework, this is not just to fill your time!

Analysis of image

|

Find a piece of work that you like and stick it in

Describe the piece of work you have chosen

How do you think she has done it, what techniques has she used.

What visual elements has she used
E.g. has she used line, colour, pattern etc.

Write the artist's name title of work

Sketch a section of the work here

Sketch another section of the work here

Visual Elements = line, tone, texture, form, colour, pattern

Examples of Amanda Wood's work
