When the Nazis came to power it meant huge changes for the German people, as you have already learnt about. Imagine you were living in Nazi Germany and experiencing all of these changes. Write a letter to a relative who is living in the U.K and explain the changes that you are experiencing. You will need to talk about:

- What you know about Hitler
- Do you agree with his beliefs?
- How has life changed for children
- Do you think these changes are good?
- How has life changed for women?
- What is your opinion on these changes?
- Do you like living in Nazi Germany?

You can include images if you would like.
