

## Year 8 French- Phase 2 work

1. revise all your past tenses and create as many sentences as possible adding details eg when?what?with whom?where? and reasons with c'etait.
2. Now keep a diary of last weekend. Include as many details as possible. You will need to make up activities you did obviously. Include as many opinion words as possible with frequency words and intensifiers. For example: Je suis allée ( with the accent) avec ma soeur au supermarché et j'ai acheté des bonbons. C'était assez intéressant et pas nul.
3. Write out in words all the numbers 11-99.
4. Find a recipe in French online-write all ingredients in French and English. Then translate instructions into English using an on-line dictionary.
5. Use a translation package and write in French and English 10 new past tenses which you do not have in your exercise book.
