

Extra tasks for Yr 7

The National Archives are inviting children and families across the country to join them for Time Travel TV! Each week, on a Tuesday and Thursday, they will be broadcasting fun-filled sessions and bringing the archives to your armchair!

Time travellers will find out all about The National Archives and the wonderful treasures that they hold; from the extraordinary to the down-right bizarre!

Each session will have exciting follow-up activities for viewers to complete, including a detective based enquiry exploring other documents in our collection, and a creative themed craft.

If you are interested click on the link below, and let your teacher know if you take part.
