

## Lesson 2 – Living in a slum

1. Starter: Explain what a slum is in no more than two sentences. Use the photos on the PowerPoint to help you.

---

---

---

---

2. Using the images on the PowerPoint showing the Kibera Slum in Nairobi, come up with the three main challenges that face people who live there.

---

---

---

---

---

---

3. Copy down two facts about the Kibera Slum from the Powerpoint.

---

---

---

---

4. Write down the main differences between your life and a child who lives in the Kibera Slum.

---

---

---

---

---

---

5. Watch the video link shown on the Powerpoint and answer the five questions below:

- What are the ages of the children who go to the school in the video?

---

---

---

- Who built the school?

---

---

---

- Name one of the main challenges that the school has

---

---

---

- What does the school need more of?

---

---

---

- Name one challenge for a pupil who attends the school

---

---

---

### Lesson 3 – Africa quiz

The 10 questions for the Africa quiz are below. **Please answer each question in the space provided, except for question 1.** Do not use your work so far to help you answer the questions – **try to do this from memory.** Then **check your answers at the end** using the PowerPoint which has all the answers on it. Good luck!

1. Draw the map of Africa from memory (do this on a separate piece of paper, on the back of this worksheet or in your geography book).

- *This will be the outline of the continent and does not need to include any other features*

2. Describe the location of Africa in the world in no more than two sentences

- *Remember to include compass directions*

---

---

---

3. Is Africa a country or a continent?

- *Write your answer and explain the difference between a country and a continent.*

---

---

---

---

4. The Sahara Desert is located in Africa. True or false?

---

---

5. How much of the Uks fruit and vegetable products come from Africa?

- *Give your answer as a percentage*

---

---

---

6. How many countries make up the continent of Africa?  
- *Can you name any of the countries?*

---

---

---

7. Read the two definitions of the different types of aid below. Decide which is the definition for short term aid and which is for long term aid.

**A** - This is aid that will help countries develop over months or years. It can take a long time for this type of aid to take effect, but it will be long lasting.

**B** - Sometimes known as emergency aid. This aid is given when a problem has occurred and is urgently needed.

A = \_\_\_\_\_

B = \_\_\_\_\_

8. Around 600 years ago the majority of Africa was 'colonised' by Europeans. They took over parts of Africa for themselves and sold African people as slaves. **Is this true or false?**

---

---

9. Kenya is located next to the Atlantic Ocean and borders Nigeria. **True or false?**

---

---

10. What do you think the total population of Africa is?  
- *Have a guess and see how close you can get!*

---

---

Well done, you have completed the Africa quiz! Now you can check your answers on the PowerPoint to see how well you did.
