

PHASE 3

Year group	Y11
Subject	FILM STUDIES
Instructions	<p>I have created a google classroom site for you IF YOU ARE INTERESTED.</p> <p>This is a Transition to A level site and I am going to invite you all to join.</p> <p>On it I will give you a gentle introduction to A level, recommend some films to watch, some things to do and give you a head start on A level Film Studies.</p> <p>If you have friends who you think might be interested and would be great film studies students, please email me or ask them to get in touch with me and I will invite them too.</p> <p>Getting used to google classroom will be crucially important for all of you as it is becoming standard for all schools and colleges so your engagement with it and me will help whether you stay at Brentford or go elsewhere - I hope you stay OF COURSE!</p> <p>GCSE grades</p> <p>Just to reassure you regarding grades. This is all underway and we are ensuring that you receive the fairest possible GCSE grades which take account of all your hard work in the NEAs, as well as your PPE performances and crucially, recognition of the additional effort and focus which you would all be applying in the lead up to the exams. None of you will be disadvantaged I hope. The school will be communicating directly with you about this in due course.</p> <p>Please do not ask me what grade you will receive as I am unable to tell you anything at all at this point.</p>
