Dear Parent/Carer,

Due to the current circumstances, we would like to signpost some of the online resources which will help your daughters to independently work at home if there is a need to self-isolate. Many of these resources are on our website in the “Curriculum” area. These include: -

- Curriculum guide which informs you of the stage of learning your daughter should be at in all subjects [Curriculum Guide 2019-20](#)
- Online revision sites which can help your daughter independently learn and advice on how to revise effectively [Revision Materials](#)

In addition, in the “Exams” section within the curriculum area ([Online Subject Resources](#)) there are subject specific websites that can be accessed online in the subjects below: -

ENGLISH	▼
SCIENCE	▼
MATHS	▼
FRENCH	▼
GERMAN	▼
BUSINESS AND COMMUNICATION SYSTEMS	▼
TECHNOLOGY	▼
MUSIC	▼
HISTORY	▼
GEOGRAPHY	▼
RE	▼
PE	▼

If your daughter is in key stage 3, it is recommended that KS3 BBC Bitesize is utilised which will give access to subject specific learning for Year 7 and Year 8.

If your daughter is currently studying for GCSEs then the use of GCSE Pod, GCSE BBC Bitesize and Seneca Learning are useful resources.

In addition, YouTube have many resources which can enhance learning including teaching clips and documentaries.

Yours faithfully,

Mr P May
Assistant Headteacher
