Dear Parents and carers,

Re: Online safety

I do hope that you are well and are able to return to some form of normality as the lock down eases.

During the pandemic we are aware that our girls have been spending a significant amount of time on the internet and accessing a variety of sites and as a result there has been a reported an increase in online incidents to the MET police.

There are a number of websites and useful links that can be accessed through our website to support both students and parents. This can be accessed via the Covid-19 link on the website and HUB parents. Please see the link below:

<https://www.brentford.hounslow.sch.uk/page/?title=Parents&pid=735>

Here you will find a number of resources which have been updated, some of which are listed below:

For any worries or concerns in relation to online safety please do not hesitate to contact myself or Ms Stone.

Please take care and keep safe.

Yours faithfully,

Miss K Coleman
