Dear Parent/Carer,

RE: GCSE Paper Y9

As we begin to baseline assess our newest year 9 students, we wanted to inform you of what to expect for the upcoming data collection point at the beginning of October. Students will be exposed to their first GCSE style paper and should look forward to the opportunity to see how much they already know and what they will be expected to learn in the coming years.

This will also allow for data gathered to more accurately represent where your daughter is currently in her GCSE trajectory and what topics our teachers should focus on to make sure any gaps in knowledge are filled strategically alongside the existing curriculum.

We ask that you remind your daughter about the importance of trying their best but that the expectation for these exams is that they have not covered every topic but that the forthcoming familiarity will ease some of their test anxiety and create a more positive assessment experience.

Yours faithfully,

A Willhite
