

Year 9 Curriculum Student Guide For Home Learning

To be used when self-isolating

Autumn Term 2020

Introduction

In the scenario where your daughter is unable to attend school due to self-isolating we have produced this Curriculum Student Guide to outline more subject specific guidance on work that can be completed at home. This will replace the previous guidance to use Oak Academy.

Please be advised that all homework is now set on Google Classroom and your daughter can access this from home as usual to keep up with work set. We are also encouraging teachers to add their PowerPoints to the class pages where appropriate.

If you daughter would like to explore subjects beyond this guidance the following website are very helpful in addition to any subject specific websites recommended by subject teachers: -

- Oak Academy
- GCSE Pod
- BBC Bitesize (for KS3 and KS4)
- Seneca Learning
- Active Learn
- FROG

English

Autumn Term 2

Unlike many subjects, English work is set dependent on the English class and the pace of understanding. Therefore, we have outlined the topics covered in every year group for each set for the whole half term.

Greater guidance on specific tasks and resources will be updated weekly on Google Classrooms.

Year Group	Topics Covered
9	This term we will continue with our study of 'An Inspector Calls' in Monday and Friday lessons, moving through the text. In our Wednesday lessons, we will be studying poems from the 'Love and Relationships' cluster of the AQA anthology. Lessons and resources are all in the Topic Classrooms for 'An Inspector Calls' and 'Love and Relationship Poetry'. In your normal English Google Classroom, the 'Checklist of work covered each lesson' will detail which lessons or topics were covered in each of your lessons, meaning you will be able to keep up with all the work set.
