Dear Parent/Carer,

School Performance Tables – 2018-19- Outstanding Achievement

It gives me great pleasure to share with you some excellence news regarding this year's GCSE school performance tables. The performance tables are published yearly for parents to compare the performance of schools. You can find further information on these at: www.compare-school-performance.service.gov.uk

Once again, this year, the GCSE performance for girls at Brentford School for Girls was in the top 10% of all schools nationally. In terms of ranking locally, within the borough of Hounslow, Brentford School for Girls was the **highest performing schools in the borough**, and the second highest achieving none faith school.

As a school, we are delighted and very proud of our outstanding achievements and look forward to another set of fantastic results this summer.

On behalf of myself, staff and governors at Brentford, I would like to thank you for your continued support with your daughters' education and wish you all a very restful half term break.

The second half of the spring term begins on Monday 25th February at 8.40am.

Yours sincerely,

Ms M Leenders
Headteacher
