### Re: Ofsted Inspection - Safeguarding

Dear Parent/Carer,

I am writing to inform you that we received a one day Ofsted inspection focused on our schools safeguarding procedures on the 6<sup>th</sup> October. We are pleased to inform you that safeguarding was deemed to be effective. Inspections such as these are usually ungraded as they look at a particular aspect of the school and therefore do not look at all areas of the running of the school. Inspections on safeguarding focus on evaluating the following areas:

- Safeguarding culture- Procedures and whether the children feel safe
- Behaviour
- Attendance
- The curriculum- More specifically the PSHCE curriculum area

We are delighted to inform you that we have received a very pleasing Ofsted report following the inspection. The full report is attached for you to read. The following comments have been made by the Ofsted team which are of particular note:

***'The culture of safeguarding is strong and remains a high priority'***

***'Pupils feel safe at school. They know that there are adults they can speak to if they have a concern'***

***'Pupils like the way that leaders and staff make sure that the school is a welcoming environment'***

***'Pupils were clear that bullying is rare. Any instances of poor behaviour, including bullying, not tolerated'***

On behalf of the school, I would like to thank all of the staff and students for their involvement across the day, and for their continuous commitment to ensuring that the school is a safe and happy community.

Thank you as always for your support

Yours faithfully,

Marais Leenders  
Headteacher
