24th January 2023

PMA/mm

Dear Parent/Carer,

Thank you again to all parents who gave feedback via our recent parent survey. We appreciate the time you take to let us know what we are doing well and areas where we can further strengthen our school.

Once again, overwhelmingly parents let us know how pleased they are with what we are doing. Some key positives included having high expectations of your daughters, the range of subjects that are available, careers advice your daughter gets as well as key aspects of the school including how happy your daughter was at the school and how safe she feels.

As a result of the feedback given, there were requests for more information on the curriculum and what your daughter's are learning in class. This is readily available on our website and we wanted to remind you were to find it. We are keen for you to have this information and it is available on the website for each year group at [Curriculum Guides](#). If you would like a hard copy of the guide for your daughter's year group, we would be happy to provide one to you. If this is the case, please let us know via your daughter's tutor.

The next parent survey will take place on the week beginning Monday 20th March. We are hopeful that as many parents as possible will be able to offer their feedback. As a key stakeholder, your input in this process is very important and your views are essential to help us to review where we are at key times.

In the meantime, if you do need to contact the school or have any questions please email your daughter's form tutor (if you do not have the email address of your daughter's tutor, please email the school reception at reception@brentford.hounslow.sch.uk). Alternatively, you can write a message in her journal. The school aims to reply to any requests within 24 hours where possible. Please let us know when this has not happened in case there has been a technological problem. However, we will remind staff to respond within the 24-hour period to acknowledge your email or call.

Thank you again for your feedback.

Yours faithfully,

Mr P May
Assistant Headteacher

"TOP 100 NON-SELECTIVE STATE-FUNDED SCHOOLS IN THE COUNTRY" NICK GIBB, MINISTER OF STATE FOR SCHOOLS (FEBRUARY 2016)
