

# PHOTOGRAPHY

- Evaluation
- Technical skills
- Research & Analysis Skills

## RELEVANT SKILLS DEVELOPED IN KS3 SUBJECTS:

### Research and Analysis Skills

Artist research and analysis skills developed in Art, Textiles, and Graphics. Further written analysis skills developed from subjects such as English.

### Technical Skills

Basic digital manipulation skills learnt from Graphics and IT. Creative skills developed through a number of subjects (Art, Drama, Textiles...) which give an understanding of how to develop an idea.

### Evaluation Skills

The ability to reflect and evaluate own and other's work is key to every single subject. There is a focus on evaluation and improvement throughout KS3 Art.
