Dear Parent/Carer

RE: Invitation to Relationships and Sex Education (RSE) Parent Consultation

At Brentford School for Girls, we take the education and well-being of our students very seriously. We believe that an essential part of their education includes providing them with accurate information and guidance on relationships and sexual education.

To ensure that you are well informed about our approach to RSE, we are hosting a consultation morning for parents and guardians.

Agenda for the RSE Consultation Afternoon:

- Introduction to BLOSSOM/PSHE Curriculum: We will provide an overview of the BLOSSOM/PSHE curriculum and how it integrates Relationship and Sex Education.
- RSE Provision: Learn about the RSE provisions at our school, including the topics covered and the resources used.
- Open Q&A Session: This will be your opportunity to ask any questions or seek clarification regarding RSE in our school.
- Feedback and Suggestions: We value your input and would appreciate any feedback or suggestions you may have.

We understand that RSE can be a sensitive and important topic for families. Our goal is to ensure that you have all the information you need to support your child's understanding and development in this area. We hope to reassure you about the delivery of the topic in lessons, by showing you our resources and external partners used to facilitate high quality RSE provision for our students, as well as taking on board any feedback or suggestions you may have about what we currently do. We believe that open and constructive communication between the school and parents is essential in achieving this goal.

Your participation and engagement are crucial to the success of our RSE program. The consultation will take place in person on **Monday 26th February 10.30-11.30am**.

Please RSVP by Monday 19th February 2024 to confirm your attendance: [here](#).

If you have any specific questions or topics you would like us to address during the consultation, please feel free to email them to mwilliams@brentford.hounslow.sch.uk in advance, and we will do our best to cover them during the session.

Thank you for your continued support and partnership in providing the best education for your child.

Yours faithfully,

M. Williams
