Dear Parent/Carer,

It is with sad news that I contact you to inform you of the death of one of our Year 13 students. Arizo was studying A-Levels in our sixth form. We are deeply saddened and shocked by her unexpected loss. Arizo fell ill over the half term break and we were informed of her death on Friday 16th February.

Arizo was a popular, diligent and kindhearted student who was adored by her classmates and staff alike. She had a very bright future ahead of her. Our hearts and thoughts go out to her family and close friends at this sad time. Students in her year group have been informed and we have made counselling available to any pupil who may require additional support at this difficult time.

All of our staff are aware and are of course available to the students, should they have questions or require any further support. There are also some fantastic 'bereavement' resources available to support parents and their children, which are available for you to access should you require these.

The 'Child bereavement' organisation, <https://www.childbereavementuk.org/> also has a telephone/email helpline:

Email: helpline@childbereavementuk.org or Telephone: 0800 02 888 40

The following websites also offer support and resources for young people who may experience bereavement:

Young Minds <https://www.youngminds.org.uk/young-person/my-feelings/grief-and-loss/>

Health for Teens: <https://www.healthforteens.co.uk/feelings/bereavement-loss/>

Should you require any further support do contact your daughters form tutor or head of year.

We will be organising a memorial event in March to recognise and celebrate the life of such a wonderful student.

Thinking of all Arizo's family and friends who are suffering at this time.

Yours faithfully,

Ms Agnihotri
Head of Sixth Form
