Dear Parent/Carer

RE: Year 12 PPEs April 2024

Just as a reminder, the Pre-Public Examinations (PPEs) for pupils in Year 12 will take place from Monday 29th April - Friday 3rd May. Please find attached the timetable for these examinations for reference.

In a change to the initial timetable, students will now be taking their PPE in the Curie Gym as many of the public exams at the end of Year 13 will take place there. Students will need to arrive at the Curie area at least ten minutes prior to the published exam start time.

Exams have been organised when students would normally have their subject lessons. To replicate the exam process to students, when a student does not have an exam, they will not be required to come into school and can revise at home.

However, students may access the 6th form study area throughout the period if they choose to. In some instances, if an exam is upcoming in a subject, the teacher may organise a revision-based lesson and the students will be notified of this in advance. Please note, where deemed appropriate, individual students may be directed to conduct their revision on site. It is important that all students have the necessary equipment for the examinations.

Upon completion of the PPEs, we will be able to use the information to help bridge any identified knowledge gaps with Year 12 and make any required refinements to examination technique to support students their progression in to Year 13 and give them the best chances for their post-18 choices.

Yours sincerely,

Ms Aneesa Khan
Head of Year 12
akhan@brentford.hounslow.sch.uk

Ms Gita Agnihotri
Head of Sixth Form
gagnihotri@brentford.hounslow.sch.uk
