6th March 2025

CL/cg

Dear Parent/Carer,

RE: Year 8 Assessment Week: Monday 10th March to Friday 14th March 2025

I am writing to inform you about the Year 8 Assessment Week which will take place from Monday 10th March to Friday 14th March 2025. These exams will take place in classrooms and will be conducted in test conditions.

The timetable for these exams is attached and a copy will be given to all students. Your daughter will follow the timetable for her tutor group.

As you can see on the timetable, there will be no assessments for technology or drama. Assessment in these subjects is continual or assessed in an end of year performance in class. The RE assessment will also be completed later in the term. Science have already completed their end of topic assessment. They will have a quiz next week. They will also sit an end of Year 8 assessment for science in the summer term.

These assessments help the teaching staff monitor every student's progress within their subjects so far and give all the students the opportunity to attempt a test within a time constraint.

Please encourage your daughter to revise thoroughly for these tests. This is an opportunity for her to ensure that she has a good understanding of her subjects and inform the next steps in preparing her for starting her GCSEs in September.

If you have any queries regarding these examinations, please do not hesitate to contact me on clort@brentford.hounslow.sch.uk

Yours faithfully,

C Lort
