Dear parent(s)/carer(s),

RE: Yearbook

A yearbook is a lovely way for your daughter to preserve some of the memories of her time in school. Farewells from staff, photos of the year group's events and articles about some of their experiences will undoubtedly bring a smile to her face in the future. We certainly do not want you to miss this opportunity!

In light of this, we are delighted to give you an opportunity to purchase a yearbook for your daughter, with treasured memories of the class of 2026. The prefects have worked hard to produce the content for the yearbook and are all excited that they have reached this stage of its production.

Ordering the Yearbook

The (hard cover) yearbook will cost £15.00 per copy (the original price is £17.99, but we have raised some funds and Ms. Hennessey has kindly agreed to pay some money as well, in order to reduce the cost for each student). **This is a very competitive price from a reliable company called Leavers' Books which we have used before.** If you would like to purchase a copy, the easiest way to place an order is to use the Parent Portal by following the link below:

<https://online.leaversbooks.com/portal/?ref=254720>

You will also need the following information to place your order:

OLB Code: 254720

Password: 2030BCJHEH

Payments of **£15.00** must be made by midnight on **Wednesday 20th May**.

The process is very simple, but if there are any technical issues or queries about the online ordering system, please do not hesitate to contact the company between 8 am - 4 pm on 01733315097 (Mondays to Fridays).

Students: Login to Add Content to the Yearbook

Your daughter will receive a **separate email which includes her login details for the company's website**. This will allow her to upload comments for her page, as well as a fun photograph. Please encourage her to take 5-10 minutes to login and organise her page (including a photograph) as soon as she receives the email from our Admin team. Only staff have permission to see her page before it is printed (other students will not be able to see the yearbook until it has been printed).

Collecting the Yearbook

When the books have been delivered, you will be notified and your daughter will be expected to collect it in school.

If you have any general queries about the yearbook, please contact me at:

We do hope you are able to give your daughter this opportunity to get this fabulous collection of memories of her friends and teachers who have influenced her over the past five years.

Yours sincerely,
