

20th May 2025

CL/mm

Dear Parent/Carer,

RE: REVISED Year 9 Assessment Week: 2nd June – 5th June

I am writing to inform you about the Year 9 Assessment Week which will take place from Tuesday 2nd June to Friday 5th June. These exams will mainly take place in classrooms and will be conducted in test conditions.

The timetable for these exams is attached. A copy will be given to all students during form time. Your daughter will be doing the exams for the core subjects (Maths, Science and RE) and then the options she is studying. She has already successfully completed a formal assessment for her English Literature GCSE. I hope it was a positive experience.

As you can see from the timetable, for Science, your daughter will sit 3 assessments for: Biology, Physics and Chemistry.

These assessments help the teaching staff monitor every student's progress within their subjects so far and give all of the students the opportunity to attempt a test within a time constraint.

Please encourage your daughter to revise thoroughly for these tests. This is an opportunity for her to ensure that she has a good understanding of her subjects.

If you have any queries regarding these examinations, please do not hesitate to contact me on clort@brentford.hounslow.sch.uk

Yours sincerely,

C Lort

Ms C Lort
Examinations Officer
