Dear Parent/Carer,

RE: GCSE Exams

As the Year 11 examination season continues throughout June, I would like to remind you of the importance of ensuring that your daughter is fully prepared for each examination.

Punctuality

It is essential that students arrive on time for all examinations. Examination boards have strict regulations regarding attendance and lateness. If a student misses an examination, they will be awarded **0 marks** for that paper, which will have a significant impact on their overall grade. We ask for your support in ensuring that your daughter arrives at school in good time for every examination.

School Uniform

Please be reminded that all students are required to attend school and examinations in full school uniform. If a student's uniform is not correct, she will be required to borrow the necessary items from our Wellbeing facility before being permitted to sit her examination.

Study Leave and Booster Sessions

Please note the following important reminders regarding booster sessions during study leave:

- Students are expected on site only when they have a scheduled booster session or examination.
- Students must register with the member of staff leading the booster session upon arrival.
- Students must leave the school site immediately after their booster session or examination has finished.
- Full school uniform must be worn for all booster sessions and examinations.

A copy of the booster session and examination timetable is below.

Thank you for your continued support during this important examination period. Working together, we can help ensure that all students have the best possible opportunity to achieve their potential.

Please do not hesitate to contact us if you have any further questions.

Yours faithfully,

M. Croft
