Dear Parent/Carer,

Re: Hounslow Music Service

The Hounslow Music Service offers instrumental and vocal tuition during the school day at Brentford School for Girls. All instrumental teaching staff are well-qualified, experienced musicians who have been subject to a safer recruitment process and an enhanced criminal record check. In addition, teachers are regularly observed and receive training throughout the year to help them maintain and develop their teaching skills.

Tuition is offered on a range of instruments, including strings, brass, woodwind, guitar, percussion, keyboard, and voice. Students may choose from paired and individual lessons, which are delivered for 30 weeks of the year. If you would like help in choosing an instrument, or any other advice, please do not hesitate to contact me at the school.
