Dear Parents/Carers,

RE: Year 11 Expectations Evening

We hope that your daughter has enjoyed her start to Year 11 and is ready for the journey that lies ahead.

You will no doubt have many questions about this academic year. Whilst a lot of information has already been shared with you, we thought it would be useful to also meet with you and your daughter to reiterate some of this vital information which includes sharing our plans for supporting your daughter in Y11 and key dates for the year ahead. All of this is to ensure that your daughter feels well prepared for her time in Y11 and for her upcoming GCSE exams next summer.

As such, we are pleased to invite you to the **"Year 11 Expectations" evening on Thursday 17th September (6 -7pm)**. The evening begins at 6pm in the main hall and will offer you and your daughter vital information for her year ahead. Light refreshments will be available as well from 5:45pm. I cannot stress enough how important it is for you and your daughter to attend this event as the information shared during this hour can make all the difference to your daughter's achievement this year. Conditional offers to sixth forms will be made based on the grades achieved during practice exams this year, so it is vital that she is well prepared and achieves her best grades.

Thank you for your support in ensuring that to date your daughter has arrived at school fully prepared for all her lessons. The year team and I are looking forward to working with you and your daughter this academic year. If there are any issues or concerns, please in the first instance email your daughter's tutor on the relevant email provided below.
